### ICC Foundation Announces 2007-2008 Scholarship Recipients

Independence Community College and the Independence Community College Foundation are proud to announce the scholarship recipients for the 2007-2008 school terms. The Foundation has a long history of supporting ICC students both through the generosity of alumni and friends of the college and through public fund raising ventures. Scholarship monies are available for students based on need, chosen field of study, and for high academic achievement.

"We are very proud of their dedication and want to recognize their hard work. Each scholarship stipulates criteria based on the wishes of the donor establishing the scholarship and the awarding of a scholarship recognizes the student's academic excellence." states Lori Shaw, ICC Foundation Director. "ICC is very fortunate to have the strong financial support of alumni and friends and we would like to thank those that contribute to the scholarship fund."

Foundation scholarship monies come from one-time gifts, annual gifts of support, memorial remembrances, and planned giving through estates and trusts. Within those gift categories a gift can also be an endowed scholarship, a sizeable contribution that perpetuates its own ongoing gifts through earned interest.

"The college has so many alumni and friends that support our students and give them the opportunity to broaden their worlds through education," Shaw continued. "Every time we support a student, we support the future."
