Amber Price-Gregory - April Pirate Challenge Winner!

During the month of April, Facebook members of the group "*Independence Community College Alumni*" competed in the April Pirate Challenge. Members were challenged to recruit ICC Alumni that were members of Facebook to join our group and reconnect to ICC.

"The contest was a huge success," exclaimed Lori Shaw, ICC Foundation Director. "We started the month of April with 95 members and at the end of the contest we had grown to 361 members! Facebook is a fantastic networking tool to keep alumni together as well as keeping them current on campus events and issue.

Amber attended ICC from 1992-1994 and graduated with her associates degree. Her freshman year she was on the Pirate Cheerleading squad and was selected as Homecoming Queen for the Fall of 1992. After ICC, Amber graduated from Pittsburg State University with a Bachelor of Business Administration in Marketing degree. She and her husband, Travis, and their two kids, Tia age 6 and Tucker age 3 reside in Independence. Amber is a real estate agent for RE/MAX Results.

Amber recruited a total of 63 alumni to the group. "It was awesome to hear how many people joined our group," commented Amber. "ICC was a great stepping stone before moving to the university level. I loved the teachers and the classes along with all of the friends that I made and still stay in touch with. I feel everyone should experience Independence Community College."
