ICC Foundation Announces Raffle Winner

Independence Community College Foundation announced the winner of the “Dream Vacation Giveaway” on Saturday, May 3rd during the Mercy Hospital BBQ Contest. Ray Rothgeb, long-time ICC instructor and retired Dean, was given the honor of drawing the winning ticket from over 3,200 sold. This year’s lucky winner is Judi Miller, a retired elementary teacher, from Fredonia, Kansas.

“When I received the call saying I had won, I thought they must be playing a trick on me!” stated Miller. “Ticket number 396240 was the last ticket in the batch that I purchased.” Judi received a \$2,000 travel certificate from Vintage Travel Company to the vacation destination of her choice.

“This year’s fundraiser was a huge success thanks to the overwhelming support received from ICC students, staff, alumni, and friends of the college,” said Lori Shaw, Foundation Director. “The Foundation also thanks Joann Cox and The Mercy Hospital Foundation for sharing their event with us.”

The proceeds raised from this event will go to establish an ICC Alumni Scholarship to be awarded yearly to a freshman son or daughter of an ICC graduate. The Foundation feels that this new scholarship is the perfect way to honor those students and alumni who participated. “It was a fun event and I can see it continuing to grow,” stated Shaw. “Every person who bought a ticket has helped create a legacy for future ICC students.”
