ICC Foundation Announces Fall 2008 Scholarship Recipients

Independence Community College Foundation is proud to announce the scholarship recipients for the Fall 2008 Semester. The Foundation has a long history of supporting ICC students both through the generosity of alumni and friends of the college and through public fund raising ventures. Scholarship monies are available for students based on need, chosen field of study, and for high academic achievement.

This semester's scholarship recipients were chosen either by an ICC Faculty member or by the ICC Foundation Scholarship Committee. "It was very exciting to be a part of the committee to award foundation scholarships," said Sandy Annable, ICC Foundation Board Member. "There are so many qualified students that deserve to have some financial assistance for their schooling. It is a good feeling to help out those students with furthering their education."

Once the recipient was chosen, the recipient was notified as to the requirements to receive the funds and they were also provided with the history of the individual or organization that the scholarship was established to honor. "It is so important that students are given the opportunity to understand and appreciate how special the gift is that they have been chosen to receive," states Lori Shaw, ICC Foundation Director.

Foundation scholarship monies come from one-time gifts, annual gifts of support, memorial remembrances, and planned giving through estates and trusts. Within those gift categories a gift can also be an endowed scholarship, a sizeable contribution that perpetuates its own ongoing gifts through earned interest.

The ICC Foundation would like to thank all those who contributed to support these special scholarships.
