Local Businesses and Organizations Sponsor New ICC Foundation Scholarships

Independence Community College Foundation has announced eight new partnerships with the leaders of area businesses and organizations in the form of annual scholarships. Foundation scholarships make it possible for many students to attend ICC who may not otherwise have the financial support for their education.

“The Foundation is very grateful for the support we have received from our business and organization leaders,” said Lori Shaw, ICC Foundation Director. “These new annual scholarships will be a wonderful addition to the endowed scholarships established by Foundation donors.”

An Annual Scholarship is one in which the business or organization establishes a set amount to be awarded during the upcoming academic year. Annual scholarships are renewed each year and may be given as a memorial, a designated club’s donation, or in any person’s name.”

Businesses and organizations for their commitment to education with an annual scholarship bearing their group name are: Dewlin-Dix Post 1186 VFW; First Federal Savings & Loan; First National Bank of Independence; Independence Rotary Club; Independence Thespian Society Organization; Mercy Group Physicians Group; Scovel, Emert, Heasty, Chubb, & Gettler Law Offices; and Quality Motors of Independence. Scholarship winners and the names of their donors will be released in the fall semester.

The ICC Foundation, a non-profit organization whose purpose is to receive private gifts and donations on behalf of the college, will manage the scholarships for the college.
