To the Parent or Guardian of our UB Students

On Saturday, February 20, 2010 the Upward Bound Program will be going ice-skating at the Wichita Ice Center. This will be a fun day filled with lots of cultural enrichment activities for the students. **THIS IS A MANDATORY SATURDAY SEMINAR.** Admission to the Wichita Ice Center and lunch is paid for by the Upward Bound Program. Students may bring spending money if they choose to, but it's not necessary.

This event will be treated as a regularly scheduled Saturday Seminar. If you are not able to attend, you must provide a school note or doctor's note.

We will leave ICC at 9:30 a.m. from parking lot D (in front of Administration Building).

We plan to arrive back at Independence Community College between 6:00 p.m. and 6:30 p.m. ICC Staff have cell phones and we will allow students to use them to call parents. That way parents aren't sitting in the parking lot waiting on the bus.

_____ has my permission to attend the Saturday, February 20, 2010 trip to the Wichita Ice Center.
