

MISSION STATEMENT:

Independence Community College serves the best interests of students and the community by providing academic excellence while promoting cultural enrichment and economic development.

VISION STATEMENT:

To be a community college that provides an exceptional educational experience by cultivating intellect, encouraging creativity, and enhancing character in a student and community centered environment.

Our campus is located in the beautiful southeast Kansas town of Independence. Full of heart and history, Independence offers a hometown feel coupled with ample enriching community activities.

Independence well known for it's Neewollah celebration.

Our 68-acre campus includes the Academic Building, Fine Arts Building, Student Union, Fablab, Field House, Administration Building, Esch Observatory, soccer field, 18-hole Frisbee Golf Course, athletic practice fields, a 96-bed multi-structure living complex, as well as a 200 bed residence hall which overlooks our lake. The Cosmetology, Adult Basic Education, Allied Health, and Veterinary Nursing programs are located within our ICC West Campus.

Designated Purple Heart College by the Military Order of the Purple Heart. This recognizes the college's support of military members, including veterans and their families.

**INDY
CONNECT**

At ICC, we believe that education happens at all ages. Indy Connect is a community education program that serves as an umbrella for all community outreach programs.

Some recent community programs that have been popular is our Charcuterie Board Making Class and our Kids College Program.

Recent Partnerships

ICC and Wichita State University established a TAPS (Teacher Apprentice Program) 2+2 program. This flexible program helps Para Educators take classes to prepare for Kansas teacher licensure exams.

ICC partnered with Wichita State University to host the first annual Southeast Kansas Leadership Challenge. This unique event gives high school students the change to solve real-world leadership challenges in a safe, educational environment.

The Library, Student Affairs, and SGA partnered to bring a bike check-out program to the college using grant funds.

2021 First-Generation Family of the Year

Nellie Mendoza & Family

#FirstGen

The college hosted its first first-generation celebration on October 16, 2021.

ICC received the First-Gen Forward designation from the Center for First-Generation Student Success for its commitment to improving the educational experience and outcomes of first-generation college students.

ICC was awarded grant of \$9,600 from the National Resource Consortium on Full Student Voter Participation which seeks to create processes, systems and tools, collaborating with leaders at institutions who are working to make full participation a reality.

PIRATE PANTRY

We know students can't do their best work in class on an empty stomach and ICC is committed to helping students achieve their educational goals!

Independence Community College's on-campus food pantry provides essential foods and toiletry items to students in need.

DID YOU KNOW?

ICC has an **open admissions policy**.

What does that mean?

Students are not required to submit ACT or SAT scores with their application.
