VI. ADJOURN

Action

PUBLIC PARTICIPATION AT BOARD MEETING

Items on the Agenda

Members of the public wishing to appear before the Board concerning an item which is on the agenda must fill out one of the cards provided and present the card to the Board Clerk. There are three opportunities for public comment during regular meetings.

First, the public may comment on any item on the agenda during a period at the beginning of meetings, with a total comment period of ten minutes and individual comments limited to two minutes. This comment period may be extended by Board vote.

Second, prior to each Board vote, the public will be invited to speak directly to the issue being voted upon.

Third, any member of the public may make a lengthier presentation on agenda items, provided that a request for such a presentation is made in writing in advance of the meeting. Permission to make such presentations, and their length, is at the discretion of the Board Chair.

Information to the Audience

The Board members receive the complete agenda along with background material that they study individually before action is taken at the meeting. Any member of the Board may remove items from the consent agenda at the time of the meeting.

Examples of Motions for Executive Session

Employee Based Harassment

1. Any person who believes they have been the recipient of any type of employee based harassment should report the incident to their immediate supervisor. The initiation of a report shall not affect the employee's status, compensation, or work assignment. All reports of harassment shall be maintained in strict confidentiality.
2. The immediate supervisor must report any harassment incident to Human Resources. If the harassment received by the employee is believed to be from the immediate supervisor, the initial report will go to Human Resources and the President.
3. Human Resources will initiate a confidential finding of fact upon receipt of a harassment report. The fact finding should identify if improper conduct occurred and appropriate action to be taken.
4. If Human Resources determines action in response to harassment based on fact finding, the recommendation should be sent to the appropriate supervisor or the President if the supervisor is involved.
5. Opportunity for appeal is provided in the Employee Grievance Procedures.

Non-Employee Related Harassment:

Any person who believes they have been the recipient of any type of non-employment related harassment should report the incident to the College's Compliance Officer, Title IX Coordinator and/or Section 504 Coordinator for investigation.

Non-Employee Related Harassment Grievance Procedure:

If, upon investigation by the College's Compliance Officer, Title IX Coordinator and/or Section 504 Coordinator, a finding is rendered that is adverse to any party involved in alleged non-employee related harassment, that party may appeal the decision to the President of the College within five working days thereafter by submitting his/her appeal electronically through the College's electronic reporting system.

The President will be provided copies of all previously considered materials and forms from the appellant and written materials from the employee rendering the original decision. The President will review all supporting materials submitted as well as any other relevant materials and will meet with the appellant and the employee rendering the original decision within five working days thereafter to further discuss and clarify the question at issue.

The President will render a written decision to all parties and the employee rendering the original decision within five additional working days. The decision on appeal at this level is final.

Independence Community College

Position Announcement

Database Administrator

Independence Community College (ICC) is seeking applications for the Database Administrator. Independence Community College is located in Southeast Kansas and serves approximately 3,000 full- and part-time students each year through its programs, courses, and services. Independence Community College is an Equal Opportunity Employer. ICC encourages diversity among its employees.

Position Summary

The Database Administrator's role is to design, install, monitor, and tune the college databases while ensuring high levels of data availability. This individual is also responsible for developing, implementing, and overseeing database policies and procedures to ensure the integrity and availability of the Ellucian Power Campus and Microsoft Dynamics GP systems.

In addition, this position will collaborate with college administrators and technology committees to ensure high quality and appropriateness of materials on the website (including ADA compliance), continuously research advances in web technologies, perform website management tasks (including developing the architecture and layout of web pages, assembling and posting text/graphics, developing web applications, troubleshooting and resolving website performance issues), and advising faculty and staff on the use and capabilities of websites.

This is a full-time, 12-month position; requires some evening and weekend work. Travel will include occasional overnight stays.

Position also provides excellent paid time off including vacation, personal and sick leave, and an excellent insurance benefits package. Salary is commensurate with education and experience.

Job Responsibilities

- Assess and develop long-term strategic goals for Ellucian and Microsoft databases in conjunction with departments and programs directors across campus.
- Work with Information Services staff to develop database architectures, coding standards, and quality of data policies and procedures.
- Participate in the design and implementation of redundant systems, data policies, and procedures for disaster recovery and data archiving to ensure effective protection and integrity of the college data assets.
- Administer college web servers, including back-ups, search engines, logs, and documentation.
- Troubleshoot and resolve operational issues of a website.

Acquisition and Deployment

- Conduct research and make recommendations on database products, services, protocols, and standards in support of procurement and development efforts.

Operational Management

- Create models for new database development and/or changes to existing ones.
- Install and configure relevant network components to ensure database access as well as database consistency and integrity.
- Respond to and resolve database access and performance issues.
- Monitor database system details within the database, including stored procedures and execution time, and implement efficiency improvements.

- Monitor, optimize and allocate physical data storage for database systems.
- Plan and coordinate data migrations between systems.
- Develop, implement, and maintain change control and testing processes for modifications to databases.
- Create, or support creation of, required reports in response to user needs.
- Perform database transaction and security audits.
- Establish appropriate end-user database access control levels.
- Develop routines for end users to facilitate best practices database use.
- Provide guidance to junior members of the Information Services team.

Minimum Qualification

- Bachelor's degree in the field of computer science or
- Five (5) years equivalent work experience using Microsoft Structured Query Language (MS SQL) is required.

Preferred Qualifications

- Three- Five (3-5) years' experience in Ellucian software systems.
- IBM UniData Knowledge.
- Experience with Microsoft Dynamics GP
- Microsoft Database Administrator certification (MCDBA) is highly desired.
- Project management certification and/or experience desired.

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. The requirements listed below are representative of the knowledge, skill, and/or ability required.

Required Knowledge, Skills, And Abilities

- Strong understanding of database structures, theories, principles, and practices.
- Working technical experience with designing, building, installing, configuring and supporting Microsoft SQL servers.
- Hands-on database tuning and troubleshooting experience.
- Demonstrated experience with data processing flowcharting techniques.
- Good understanding of academic institutions' goals and objectives is preferred.
- Knowledge of applicable data privacy practices and laws.
- Ability to conduct research into database issues, standards, and products as required.
- Proven analytical and problem-solving abilities.
- Web development skills utilizing industry standard web-based programming languages (e.g. XHTML, CSS, JavaScript, and PHP/MySQL).
- Strong end-user service orientation.
- Project management experience desired.
- Experience working in a team-oriented, collaborative, date-driven environment. Ability to present ideas in user-friendly language.
- Excellent verbal and written communication skills.

Work Schedule

Must be able to work a variable schedule/varying hours to meet operational needs. May require evening and weekend hours.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to stand and talk or hear and sometimes walk and sit. Occasionally the employee will bend or twist at the neck more than the average person.

While performing the duties of this job, the employee may occasionally push or lift items. The employee is directly responsible for safety, wellbeing, and work output.

Specific vision abilities required by this job include close vision such as the ability to read handwritten or typed material, and the ability to adjust focus. The position requires the individual to meet multiple demands from several people and interact with the public and other staff.

Working Conditions/Physical Requirements

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of the Database Administrator position. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions, but only after full disclosure by the applicant.

1. With or without assistance: ability to sit or stand for extended periods of time; ability to move freely around campus and other locations.
2. Ability to communicate both in person and by telephone; ability to speak clearly; mental capacity to make decisions and follow through with directions.
3. Ability to lift up to 30 pounds.
4. Ability to bend, stoop, reach and grasp as required to perform responsibilities.
5. Ability to perform repetitive keyboard and computer mouse functions.

Compensation

\$55,010 - \$65,205; actual salary is commensurate with education and experience.

Application Procedures

Position is open until filled. Candidates whose education and experience match or exceed the job requirements may apply on-line at www.indycc.edu/hr. Candidates need to provide the following.
