After a five-minute break, the regular session was called back to order at 8:23 p.m.

Chair Sherwood began with her welcome of all guests via zoom and in person to the meeting. Norman Chambers led the pledge of allegiance. Kevin Brannum read the Mission Statement and John Eubanks read the Vision Statement.

Sherwood asked for questions/concerns regarding the consent agenda. John Eubanks mentioned a few corrections to the August 23, 2021, minutes. Jonathan Sadhoo mentioned the dorm occupancy number listed was incorrect and a short discussion was had regarding this matter. Sadhoo mentioned that expenses for empty beds (due to COVID quarantine) are currently being covered by HEERF funds. He also stated that the Villa's occupancy went up more than the ICC Dorms; noted that the Bricks are being used for quarantine while Villa's are a part of Bluffstone. ICC Dorms (Captain's Quarters) equals 184 with additional housing from the Bricks of approximately 32 beds.

John Eubanks moved to approve the consent agenda; seconded by Norman Chambers. Motion carried 5 – 0.

Sherwood asked for question regarding the payables; there were no questions regarding this matter. A motion to allow the payables was made by Norman Chambers; seconded by John Eubanks. Motion carried 5 – 0.

Sadhoo gave a brief overview of the IT storage area/network replacement system. Noted that the bid is approximately \$38,900 and the expenses would be covered by CARES ACT funding upon Board Approval. John Eubanks moved to approve the network system; Val DeFever seconded. Motion carried 5 – 0.

Vincent Bowhay discussed the athletic travel memo for approximately \$30,000 which does not include a contract for transportation if teams were to get into championship playoffs. Sadhoo noted that there were three bids received and depending on the travel location, different quotes/different routes would be used to stay within the

\$30,000 bid if approved. Bowhay reminded the group that this is a yearly expense. A motion to approve the Athletic travel was made by Kevin Brannum; seconded by John Eubanks. Motion carried 5 – 0.

Sherwood read the budget public information hearing notice to the group. The proposed 2021-2022 budget was published according to statutory requirements. Public hearing commenced for the purpose of answering objections of taxpayers relating to the proposed use of all funds, and the amount of tax to be levied, and to consider amendments.

Brannum stated that he continues to disagree with expenditures that have taken place in the past and would be voting no to the budget proposal. Sherwood mentioned that in 19/20 the budget percentage was reduced by around 3% then moved back up around 3% without the grant/cares act funds. Sherwood noted that she was in favor of approving the budget. Eubanks stated that he felt the 20-21 budget had raised; Sadhoo mentioned the final assessed valuation (due to the revenue neutral rate) has made the budget seem higher. Eubanks continued that he would be voting on approving the budget but noted the operational budget could still be adjusted throughout the year. Val DeFever mentioned that raising taxes doesn't make anyone happy but feels to be more innovative we need to move forward rather than moving backwards and stated she would be voting in support of the budget.

2021 – 2022 Budget approval - Val DeFever made a motion to approve the budget; John Eubanks seconded the motion. Sherwood asked for a show of hands for approving the budget, they were as follows: Sherwood, DeFever and Eubanks raised to approve of the budget. Chambers and Brannum voted as opposing the budget. The motion to approve the budget carried 3 – 2.

Director of Library Services, Sarah Owen gave an overview of the services provided by the ICC Library. She mentioned the new part-time staff and stated that evening/weekend hours have gone into effect and feels this will bring more students to the library. Sarah talked about the Bike Rental Program. They currently have 5 bikes with two of the bikes being electric. The bike rental allows students to use a bike for three days if it is returned appropriately. International student bikes have also been incorporated in this program since most of these students arrive on campus without transportation. The ICC Library also has a "Lending Library" which consists of sewing machines, arts/crafts, yard, cornhole, different types of athletic equipment, board games, jumper cables and several other items that students don't generally bring to campus. To pay for this program the library received three grants (\$3000 for being open to the public, \$400 for 16 new Kansas notable Books and \$800 for Kansas Singer/Rapper). Events taking place in the Library consist of Constitution Day happening in September. October will be about using games in the library, eco system, open education network and open education resources. Open education resources are a program that has developed due to the skyrocketing prices of textbooks. This has created "open education resources"; the ICC Library will host a Summit in February through the KS Steering Committee Conference. The "Open Education Resource" has been successful as there are several students who don't have access to computers. Currently Sarah has approximately 700 students coming to the library but expects this number to raise in the coming weeks. Sarah also spoke about Phi Theta Kappa. She mentioned that attendees are identified by GPA with a 3.5 to be invited. Feels we have approximately 65 students who are eligible, noting that several students who are eligible are still in High School. The cost to join this group is \$90 per student. Norman Chambers asked if we have considered a scholarship for students to join this group. Vincent Bowhay feels this would be a good potential partnership between ICC and the ICC Foundation.

Bowhay have a brief update on Accreditation. Mentioned that both Sarah Owen and Anita Chappuie are holding records from year to year for Accreditation. Kris Adams, Director of Marketing along with her staff (Zach Miller) have started a video campaign to document how we meet accreditation criteria and will also make it part of our HLC visit preparation. It was mentioned that October 1 is the internal deadline for our draft/assurance arguments. Bowhay will send a Gantt chart to show the progress we are currently making to the Board; and feels we are establishing better policies, addressing concerned areas and people are working together. At next months meeting Bowhay would like to invite a few other members on the accreditation team to speak.

Chair Sherwood inquired about a strategic plan update. Bowhay stated that operational plans are being updated which helps focus on our strategic plan. The Strategic planning team is working on getting the dashboard online and feel it will be available very soon for the Board to view and track the progress from the beginning to the end. ICC is working with OnStrategy to get the dashboard working live.

Kevin Brannum inquired about the financial audit. Sadhoo noted that ICC will pickup the 19-20 audit; and the College is currently in the process of reconciling the 20-21 audit. The audit due date was extended to October 1; the 20-21 deadline has been moved to March. Both audits will require documentation from our HEERF funds. Brannum requested that the audit official present findings to the Board in person.

Norman Chambers gave a brief report regarding the KACCT conference attended in Hutchinson. He also mentioned that he would like to invite Heather Morgan to campus to meet with the board and speak about the legislative agenda that the KACCT will be getting in the coming months. The next KACCT meeting will be in December and is being held in Pratt, KS.

Kevin Brannum motioned to adjourn; seconded by John Eubanks. Motion carried 5 – 0.

Meeting adjourned at 9:15 p.m.

Re: Tuition Waiver for Dependents of Fallen or Disabled Service Members Policy – Reading #1

---

## **Tuition Waiver for Dependents of Fallen or Disabled Service Members**

Independence Community College will provide a tuition waiver to the spouse and children age 23 and under (including adoptive and stepchildren) of members of all branches of the United States Armed Forces or United States Coast Guard who:

- Died while on active duty, or
- Died as a result of a military service-connected disability, or
- Is 100% permanently disabled as a result of a military service-connected disability as certified by the U.S. Department of Veterans' Affairs.

In addition, the student must be a resident of the Independence Community College district at the time of the application waiver. The spouse of the fallen service member must initiate the request for a waiver within ten years of the determination of death or 100% disability. The spouse will lose eligibility upon remarriage. Dependent children must initiate this benefit prior to age 23.

Students will receive a first-dollar tuition waiver if they are a survivor of a member of the U.S. Armed Forces or U.S. Coast Guard that died on active duty or died as a result of 100% service-connected disability, and do not receive the Marine Gunnery Sergeant John D. Fry Scholarship. Students who are the spouse or dependent of a member of the U.S. Armed Forces or U.S. Coast Guard that is 100% disabled or died as result of less than 100% disability shall be granted a waiver in coordination with other student financial assistance (including VA Benefits) for which the recipient may be eligible, utilizing other grant resources before applying this tuition waiver in order to provide a total benefit not to exceed the total estimated cost of attendance.

The tuition waiver is available to students admitted to a certificate or degree program only. This waiver is also limited to **95 college credits** or the completion of an Associate degree, whichever comes first. The waiver does not include required fees and may not be applied to community education programs or distance learning programs for recipients residing out of state. Continuation of this tuition waiver benefit is contingent upon the student meeting the applicable satisfactory academic progress requirements.

Re: Recommendation for HVAC System Replacement

---

## **1. Purchase Item Agreements (>\$10K)**

### **1.1. Purchase of Services/Equipment**

Recommendation to replace the chilling, heating and ventilation system for the entire student dorm building (Captain's Quarters):

**Currently awaiting final bids from three vendors – Project shall not exceed \$200,000**

The current HVAC system for the Captain's Quarters is over 20 years old and has suffered multiple failures over the years, some of which can either no longer be repaired or would be cost prohibitive as parts are no longer manufactured. The purchase will include a multi-level chilling, heating and ventilation system that will climate control all levels of the building while helping reduce the spread of airborne pathogens and particulates, while affording appropriate humidity control to decrease the risk of mold growth. This purchase is eligible for grant funding.

Re: Recommendation for Fieldhouse Water Heating System Replacement

---

## **1. Purchase Item Agreements (>\$10K)**

### **1.1. Purchase of Services/Equipment**

Recommendation to replace the Boiler System in the Fieldhouse with a multi-unit tankless water heating solution from the following vendor:

**Eric's Plumbing (Independence, KS) – Total project shall not exceed \$20,000**

The current Boiler system has had parts failures recently, with the current major failure culminating in a leaking pump structure. The current system is 37 years old and based on the recommendation of the Fire Marshall and vendor, ICC should pursue replacing the existing system with a tankless system. This project will include three tankless water heaters and all associated parts and labor, as well as the associated labor to remove the existing Boiler system, which will require deconstruction of the unit to remove from the building.
