Re: Addition of Nail Tech SAPP Course

Independence Community College began exploring adding the nail technician course back to the program of study and state certification for students in the spring of 2024.

Currently when ICC students complete the cosmetology certificate and pass state boards they are licensed as nail technicians and cosmetologists.

There is prospective student interest in earning only the nail technician certification. This certification would be offered as a single 12 credit hour course. The course would be offered every other semester.

ICC would utilize current faculty and staff to support the course addition with the addition of 12 adjunct hours.

The addition of a single course does not require Board of Trustees approval. However, because the addition was discussed with the Board a memo was created to add to the consent agenda.

Dr. Jonathan Sadhoo, Interim President
Independence Community College
1057 W. College Avenue
Independence, Kansas 67301

Dear Jonathan:

The City of Independence, Kansas, respectfully requests to be added to the agenda of your upcoming meeting to facilitate the signing of the Neighborhood Revitalization Plan Interlocal Agreement. This agreement is pending adoption by the City of Independence during a public hearing scheduled for February 13, 2025, at 5:30 PM in the City Hall Commission Room.

The adoption of this new Neighborhood Revitalization Plan aims to consolidate existing plans, enhance economic development, address blight, support historic preservation, and promote housing, commercial, and industrial improvements within the designated Neighborhood Revitalization Area.

The immediate financial impact of this plan will be increased economic development activity resulting from community improvements. Tax dollars generated from a participating property's average valuation over the past three years are not rebated; therefore, this program does not decrease the existing revenue of any taxing entity.

The long-term impact of adopting the updated Neighborhood Revitalization Plan and enlarging the Neighborhood Revitalization Area represents a win/win for both property owners—especially those who were not previously eligible for the incentive to make qualifying improvements—and taxing districts. Ultimately, taxing districts will benefit from increased property valuations, resulting in higher tax revenues after the rebate period. By expanding eligibility to more properties within the City, the incentive program will encourage greater investment and spur revitalization projects that might not have otherwise occurred, fostering sustained economic growth.

For your reference, I have attached a copy of the staff report with supporting documents that will be presented to the City Commission at their February 13, 2025, meeting. This report provides further details on the program and the proposed interlocal agreement.

Suggested Action:

- If your meeting occurs **before** the February 13, 2025, public hearing:
"I move to authorize the Chair of the Independence Community College Board of Trustees to sign the Neighborhood Revitalization Plan Interlocal Agreement pending adoption by the City of Independence, Kansas."

- If your meeting occurs **after** the February 13, 2025, public hearing:
"I move to authorize the Chair of the Independence Community College Board of Trustees to sign the Neighborhood Revitalization Plan Interlocal Agreement adopted by the City of Independence, Kansas."

Your participation is vital to the successful implementation of this plan, and we look forward to your support in this collaborative effort. Please let us know the date and time of your meeting, or if additional documentation is required.

Thank you for your attention to this important matter.

Sincerely,

Kelly Passauer, City Manager

AGENDA ITEM Public hearing for the adoption of a Neighborhood Revitalization Plan pursuant to K.S.A. 12-17,114 et seq.

SUMMARY RECOMMENDATION Staff recommends the adoption of a new Neighborhood Revitalization Plan (NRP). The proposed NRP will replace all existing plans and aims to enhance economic development, address blight, support historic preservation, and promote housing, commercial, and industrial improvements within the designated Neighborhood Revitalization Area (NRA). The Economic Development Advisory Board also endorses this recommendation.

BACKGROUND The Neighborhood Revitalization Plan (NRP) is an economic development tool authorized under K.S.A. 12-17,114 et seq. to encourage private investment through property tax rebates for qualifying improvements in designated revitalization areas.

Currently, there are eight separate Neighborhood Revitalization Plans in effect within the City, many with differing expiration dates and varying terms. The adoption of the proposed plan would consolidate these into a single, streamlined plan, providing consistency and clarity for applicants. The new plan also expands the scope to include additional neighborhoods within the City limits that were not previously covered, excluding areas within the floodplain. The new plan places a strong emphasis on incentivizing a broad range of improvements, including:

- **Housing Improvements:** Recognizing the challenges of the City's aging housing stock, nearly 40% of which was constructed prior to 1939. The plan encourages new construction, infill development, and rehabilitation of older structures to address modernization needs and attract new residents.
- **Commercial and Industrial Development:** Stimulating economic growth by supporting renovations and new construction for businesses and industrial facilities. These improvements aim to attract investment, create jobs, and increase the City's tax base.

The plan also emphasizes historic preservation, particularly within the downtown historic district. Enhanced rebates are offered for properties on the Kansas Historical Register or those located within historic districts. These incentives aim to preserve the City's architectural heritage while promoting economic activity in the downtown area.

Montgomery County has a similar plan that applies to all unincorporated areas within the County. Expanding the City's plan to include more neighborhoods provides the same opportunities to participate in this program as those who live outside the City. The rebate percentages under the proposed plan are similar to the County's, except for the higher percentage rebates within the City for historic properties and districts, demonstrating the City's commitment to preservation and revitalization.

To administer the plan, Montgomery County will receive a 5% administrative fee based on the rebate amount, consistent with the County's practices for its own plan.

FINANCIAL INFORMATION The immediate financial impact is increased economic development activity resulting from improvements made in the community. Tax dollars generated from a participating property's average valuation over the past three years are not rebated; therefore, this program does not decrease the existing revenue of any taxing entity.

The long-term impact of adopting the updated Neighborhood Revitalization Plan and enlarging the Neighborhood Revitalization Area is a win/win for property owners—especially those who were not previously eligible for the incentive to make qualifying improvements—and for taxing districts, which will ultimately benefit from increased property valuations, resulting in higher tax revenues after the rebate period. With more properties in the City eligible to participate in the incentive program, investment will be encouraged, and revitalization projects that might not have otherwise occurred will spur economic growth.

SUGGESTED MOTION I move to adopt an ordinance adopting a Neighborhood Revitalization Plan pursuant to K.S.A. 12-17,114 et seq., and authorize the Mayor to sign the Neighborhood Revitalization Plan Interlocal Agreement.

RESOLUTION NO. 2025-009

A RESOLUTION SETTING A PUBLIC HEARING FOR THE ADOPTION OF A NEIGHBORHOOD REVITALIZATION PLAN PURSUANT TO K.S.A. 12-17,114 ET SEQ., AND PROVIDING NOTICE THEREOF.

WHEREAS, the City of Independence, Kansas, may pursuant to K.S.A. 12-17,114 et seq., adopt a plan to assist in the rehabilitation, conservation, or redevelopment of certain designated structures and areas within the City of Independence, Kansas, which meet the conditions provided in said law; and

WHEREAS, the City of Independence, Kansas, seeks to exercise the authority provided in K.S.A. 12-17,114 et seq., in order to rehabilitate, conserve, or redevelop designated areas within the City; and

WHEREAS, upon adoption, the proposed Neighborhood Revitalization Plan will replace all existing Neighborhood Revitalization Plans currently in effect.

NOW, THEREFORE, BE IT RESOLVED by the Governing Body of the City of Independence, Kansas, as follows:

NOTICE

The City Commission will hold a public hearing to consider the adoption of a Neighborhood Revitalization Plan pursuant to K.S.A. 12-17,114 et seq., on **February 13, 2025**, at **5:30 PM** in the City Hall Commission Room, 120 North 6th Street, Independence, Kansas 67301.

The proposed Neighborhood Revitalization Plan and a description of the boundaries of the proposed Neighborhood Revitalization Area are available for inspection during regular business hours at the Office of the City Clerk, City Hall, 120 North 6th Street, Independence, Kansas 67301.

At the conclusion of the hearing, the City Commission will consider findings necessary for the adoption of the proposed Neighborhood Revitalization Plan and the establishment of the Neighborhood Revitalization Area, all as provided for in K.S.A. 12-17,114 et seq.

BE IT FURTHER RESOLVED, that the City Clerk shall deliver a copy of this resolution to all other taxing entities within Montgomery County, Kansas.

BE IT FURTHER RESOLVED, that the City Clerk shall cause this resolution to be published in the official city newspaper once each week for two consecutive weeks prior to the public hearing.

ORDINANCE NO. 4478

AN ORDINANCE ADOPTING A NEIGHBORHOOD REVITALIZATION PLAN AND DESIGNATING A NEIGHBORHOOD REVITALIZATION AREA, PURSUANT TO K.S.A. 12-17,114 ET SEQ., AND REPLACING ALL EXISTING NEIGHBORHOOD REVITALIZATION PLANS.

WHEREAS, the City of Independence, Kansas, pursuant to the authority provided in K.S.A. 12-17,114 et seq., desires to adopt a Neighborhood Revitalization Plan to assist in the rehabilitation, conservation, or redevelopment of certain designated areas and structures within the City; and

WHEREAS, after proper public notice, the City Commission held a public hearing on February 13, 2025, to hear and consider public comment on the proposed Neighborhood Revitalization Plan; and

WHEREAS, the City Commission has reviewed the proposed Neighborhood Revitalization Plan and determined that the area identified therein exhibits conditions detrimental to the public health, safety, and welfare, including but not limited to, deteriorating housing stock, declining population, and the need for economic revitalization; and

WHEREAS, the City Commission finds that the proposed Neighborhood Revitalization Plan is necessary to promote economic growth, improve housing opportunities, and address conditions of blight within the designated area.

NOW, THEREFORE, BE IT ORDAINED by the Governing Body of the City of Independence, Kansas:

SECTION 1.

The City Commission does hereby adopt the Neighborhood Revitalization Plan, attached hereto as **Exhibit A**, and incorporated by reference as if fully set forth herein. Upon adoption, this plan shall replace all existing Neighborhood Revitalization Plans in effect within the City of Independence.

SECTION 2.

Any applications for tax rebates submitted under a prior Neighborhood Revitalization Plan and approved before the date of adoption of the new Plan shall remain eligible for the duration of their original rebate period, as outlined in the terms of the prior Plan. However, any new applications submitted on or after February 13, 2025, shall be processed exclusively under the provisions of the new Plan.

SECTION 3.

The City Commission hereby designates the real property described in **Attachment A** of the Neighborhood Revitalization Plan as the Neighborhood Revitalization Area, pursuant to the findings required by K.S.A. 12-17,115(c).

The Commission finds that:

1. A substantial portion of the area exhibits conditions detrimental to the public health, safety, and welfare due to aging structures, inadequate housing options, and economic decline.
2. The area is suitable for rehabilitation, redevelopment, or conservation to promote economic growth and community well-being.
3. The revitalization of the designated area will benefit the public interest by enhancing property values and fostering sustainable growth.

SECTION 4.

This ordinance shall be in full force and effect upon publication in the official city newspaper.

PASSED AND APPROVED by the Governing Body of the City of Independence, Kansas, on this 13th day of February, 2025.

NEIGHBORHOOD REVITALIZATION PLAN INTERLOCAL AGREEMENT

This Interlocal Agreement (hereinafter referred to as “Agreement”) is entered into on February 13, 2025, by and between the City of Independence, Kansas (hereinafter referred to as “City”), the Board of County Commissioners of Montgomery County, Kansas (hereinafter referred to as “County”), Unified School District No. 446 (hereinafter referred to as “USD 446”), and Independence Community College (hereinafter referred to as “ICC”).

RECITALS

WHEREAS, K.S.A. 12-2904 allows public agencies to enter into interlocal agreements to jointly perform certain functions, including economic development; and

WHEREAS, K.S.A. 12-17,114 et seq. provides a program for neighborhood revitalization and further allows for the use of interlocal agreements between municipalities to enhance neighborhood revitalization efforts; and

WHEREAS, it is the desire and intent of the parties hereto to provide the maximum economic development incentive as provided for in K.S.A. 12-17,119 by acting jointly.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

SECTION 1. ADOPTION OF THE PLAN

The parties agree to adopt the Neighborhood Revitalization Plan (hereinafter referred to as “Plan”) as contained in **Exhibit A**, attached hereto and incorporated by reference as if fully set forth herein. The parties further agree that the Plan, as adopted, will replace all existing Neighborhood Revitalization Plans in effect within the City of Independence. The Plan shall not be amended without approval of the parties, except as may be necessary to comply with applicable state law or regulations.

SECTION 2. EXISTING APPLICATIONS

Any applications for tax rebates submitted under a prior Neighborhood Revitalization Plan and approved before the date of adoption of the new Plan shall remain eligible for the duration of their original rebate period, as outlined in the terms of the prior Plan. However, any new applications submitted on or after February 13, 2025, shall be processed exclusively under the provisions of the new Plan.

SECTION 3. ADMINISTRATION

The parties agree that the County shall administer the Plan on behalf of all signatory parties. The County shall create a Neighborhood Revitalization Fund pursuant to K.S.A. 12-17,118 for the purpose of financing redevelopment and providing tax rebates. Any increment in property taxes received by the City, the County, ICC, and USD 446 resulting from qualified improvements to properties pursuant to the Plan shall be credited to the County's Neighborhood Revitalization Fund.

SECTION 4. TERM AND REVIEW

This Agreement shall remain in effect until December 31, 2035. The parties agree to undertake a review of the Plan on or before December 31, 2035, to determine any needed modifications to the Plan and participation in a new interlocal agreement. Any party may terminate its participation in this Agreement by providing thirty (30) days' advance written notice to the other parties. Applications for tax rebates submitted prior to termination, if approved, shall remain eligible for the duration of the rebate period.

SECTION 5. PROPERTY ACQUISITION

The parties agree that no property will be acquired pursuant to this Agreement. This Agreement provides a mechanism to create and implement the Plan, which is authorized and controlled by the provisions of K.S.A. 12-17,114 et seq.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

Neighborhood Revitalization Plan and Development Incentive (2025 – 2035)

City of Independence, Kansas

Purpose

The Neighborhood Revitalization Plan (NRP) is established under the authority of K.S.A. 12-17,114 et seq. to promote revitalization and development within the City of Independence, Kansas. The plan aims to stimulate new construction, rehabilitation, conservation, or redevelopment in designated areas to enhance property values, address blight, and improve the community's economic vitality. The program protects public health, safety, and welfare while providing property tax rebates for qualifying improvements, in cooperation with participating taxing entities.

Boundaries of the Neighborhood Revitalization Area (NRA)

The Neighborhood Revitalization Area (NRA) includes all properties currently within the City limits, as well as any additional properties that are annexed into the City during the duration of this plan, except for properties located within the 100-year floodplain. The maps provided in Attachment A reflect the current City limits and floodplain; however, the boundaries of the City limits and the 100-year floodplain may change during the duration of the plan. The City limits and 100-year floodplain in effect at the time of the project application will determine eligibility. For parcels that are partially within the floodplain, only the portions outside the 100-year floodplain are eligible for participation, provided all improvements comply with City ordinances and FEMA requirements.

Zoning Classification and Land Use

Zoning classification maps are included in Attachment A, and the existing and future land use maps are included in Attachment B. It is important to note that zoning classifications and land use designations may change during the duration of the plan. Any such changes will be reflected in accordance with updates to the City's zoning map and regulations, Comprehensive Plan, or other applicable planning documents. Properties will be subject to the zoning and land use designations in effect at the time of the project application.

Existing Conditions in the Neighborhood Revitalization Area (NRA)

The Neighborhood Revitalization Area (NRA) reflects a community actively addressing challenges and pursuing revitalization. Independence serves as a regional hub for commerce and employment, with a diverse economy reliant on retail, manufacturing, and education sectors. However, the City has experienced a gradual population decline over recent decades, with the current population at approximately 8,500. This trend highlights the critical need for revitalization efforts to attract new residents, retain existing ones, and enhance the community's economic vitality.

Nearly 40% of the housing stock in Independence was constructed prior to 1939, presenting significant challenges related to aging structures and the need for modernization. Additionally, there is a gap in housing availability, both for ownership and rentals, for households with incomes of \$50,000 and above. This shortage highlights a need to attract middle and higher-income residents and provide diverse housing options to meet demand.

The City faces a significant housing shortage, particularly in affordable and quality options. Currently, 28 houses have been recently condemned or are in the process of being condemned.

Neighborhood Revitalization Plan and Development Incentive (2025 – 2035)

City of Independence, Kansas

Condemned houses that are not repaired or removed by property owners are planned to be demolished in 2025. Additionally, 300-400 vacant homes have been identified, with a focus on 45 properties along or near high-traffic corridors (e.g., Main Street, Penn Avenue, Laurel Street, 10th Street, and Washington Street) under the newly adopted maintenance code. Exterior inspections have been completed, and notices are being issued.

In 2024, the City purchased over 100 acres of undeveloped property with plans for flood mitigation and housing development near local schools. This initiative is part of a broader strategy to increase housing stock and attract new families. Other efforts to enhance housing opportunities in 2024 include modifying the sewer cost-share grant program to include bona fide developers rehabilitating existing housing, and approving 25 applications under the Neighborhood Exterior Grant Program, contributing \$93,604.80 in grants for \$282,517.22 worth of exterior home improvements.

Revitalization is also evident in the downtown area through key projects such as streetscape improvements and upper-story housing developments. These include:

1. Trident Project: Six buildings with 20 apartments, with the first project at 106-108 North 8th Street moving forward after bid approvals.
2. Morrison Project: One building with 11 apartments, awaiting the second phase of historical tax credits before construction begins.

The Housing Authority and Community Mission for Improved Housing are rehabilitating a dilapidated house on a major corridor purchased at a tax sale, and the Land Bank is actively accepting donations and purchasing properties to rehabilitate or market for redevelopment.

The City is also improving infrastructure and amenities to support revitalization efforts. Planned municipal improvements include sidewalk enhancements, utility upgrades, and park and recreational facility improvements. Additionally, the Housing Steering Committee is working to identify proposed Rural Housing Incentive Districts (RHIDs) in older neighborhoods, focusing on areas adjoining the highway corridor and the historic downtown.

To guide these efforts, the City adopted a new Comprehensive Plan in 2024, which establishes a strategic vision for the community's future. The plan addresses a wide range of goals, including economic development, housing revitalization, infrastructure improvements, and quality-of-life enhancements. While the plan recognizes the growing need for senior housing and services as part of a broader housing strategy, it also emphasizes attracting new residents, addressing housing gaps for middle and higher-income households, and fostering economic opportunities for all age groups and demographics.

Valuation of Real Property

The valuation of real property in the NRA includes both appraised and assessed values:

Appraised valuation represents a fair market estimate of a property's worth. The approximate 2024 appraised valuation of the real estate in the Neighborhood Revitalization Area is:

Neighborhood Revitalization Plan and Development Incentive (2025 – 2035) City of Independence, Kansas

Land	\$ 61,136,300
Buildings	<u>\$470,838,440</u>
Total Appraised Value	\$531,974,740

Assessed valuation represents the amount of a property's worth that is taxed. The approximate 2024 assessed valuation of the real estate within the Neighborhood Revitalization Area is:

Land	\$ 7,693,570
Buildings	<u>\$53,521,520</u>
Total Assessed Value	\$61,215,090

Legal Descriptions of Properties within the Neighborhood Revitalization Area (NRA)

Legal descriptions of all properties included in the NRA are maintained and available for public review at the Montgomery County Appraiser's Office. In addition to the floodplain map included in this plan, property owners can use FEMA's Flood Map Service Center (<https://msc.fema.gov>) to verify their property's location relative to the 100-year floodplain. Additional resources, such as the City Manager's Office, Montgomery County Planning and Zoning Office, or consultation with a licensed surveyor, can provide further assistance.

Owners of Record within the Neighborhood Revitalization Area (NRA)

The owner of record for each parcel of land is listed with the property address in the Montgomery County Appraiser's Office.

Capital Improvements Planned for the Neighborhood Revitalization Area (NRA)

Future municipal improvements that may be considered within the Neighborhood Revitalization Area include sidewalk enhancements to improve pedestrian accessibility and safety, the removal of dangerous and unsafe structures to address blight and enhance public safety, and handicap accessibility upgrades to ensure compliance with ADA standards and promote inclusivity. Additional considerations include street resurfacing projects, utility improvements such as upgrades to water and sewer systems, and improvements to park and recreational facilities to enhance community amenities and quality of life. These potential improvements are subject to future budgetary considerations, grant availability, and prioritization by the City of Independence, reflecting the City's commitment to maintaining and enhancing public infrastructure and amenities in alignment with the goals of this plan.

Eligibility Criteria

1. Investment Requirements:

- Only improvements that demonstrably increase the appraised value of the property are considered eligible for meeting the minimum investment requirements. Aesthetic upgrades, minor repairs, or other changes that do not result in an increase in appraised value will not qualify.
 - Each project on residentially zoned properties must require a minimum investment of \$5,000.

Neighborhood Revitalization Plan and Development Incentive (2025 – 2035)
City of Independence, Kansas

- Each project not on residentially zoned properties must require a minimum investment of \$10,000.
2. **Construction Timeframe:** Improvements must commence on or after January 1, 2025, and be completed within two years from the date of application approval. Applicants may request a one-time extension of up to 12 months, subject to approval by the City Commission. The request must be submitted in writing at least 30 days before the original deadline and include a detailed justification for the delay. The rebates will be in effect only after the completion of the construction and will not include any year(s) of incomplete construction.
 3. **Tax Compliance:**
 - Any taxpayer that is delinquent on any real estate or personal property tax payment, or special assessment, on any property located in Montgomery County, Kansas, shall not be eligible to participate in the plan.
 - If a taxpayer is eligible to participate in the plan and thereafter becomes delinquent in the payment of such taxes or special assessments, the taxpayer shall not be eligible for any tax rebate under the plan during the year of delinquency. Any tax rebate lost due to such delinquency shall not be retroactively restored. The rebate schedule will not be extended due to such delinquency.
 - If a taxpayer becomes delinquent a second time under the same application, they shall permanently forgo eligibility for any future rebates related to that specific application. However, curing the delinquency does not preclude the taxpayer from participating in the program for future qualifying projects. In such cases, the taxpayer may submit a new application for a different project and be considered for rebates under the terms of the plan.
 - Escrow payments causing delinquency will not be held against the revitalization requirements.
 4. **Compliance with Codes and Regulations:** New and existing property must conform to all other codes, rules, and regulations in effect at the time the improvements are made and for the length of time of the rebate, or the rebate may be terminated.
 5. **Building Permit Requirement:** Any improvements that commence without first obtaining the required City building permit or other applicable permits will not be eligible for rebates under this program. Additionally, improvements that do not require a permit are not eligible.
 6. **Application Process:** Applications must be filed by the deeded owner of the property listed on the application with the City Clerk with a \$100 application fee made payable to the Montgomery County Appraiser within 60 days following issuance of a City building permit, or if a building permit is not required within 60 days of issuance of any other required permit by the City.
 7. **Non-Transferability and Assignment:**
 - Rebates are limited to the applicant only and are not transferrable or assignable to subsequent property owners. Upon the sale, transfer, or other conveyance of any property otherwise eligible for participation in the program, the property shall become ineligible for any additional or further rebates. Rebates will not be prorated for the year during which the sale, transfer, or other conveyance occurred.

Neighborhood Revitalization Plan and Development Incentive (2025 – 2035)
City of Independence, Kansas

- However, if the new property owner makes additional improvements that qualify as a new project, the new property owner may apply for rebates under a new application.
 - **Bona Fide Developer Exception:**
 - An applicant who is a bona fide developer who caused the eligible improvements to be made shall be entitled to transfer or assign their eligibility to participate in the program to the first buyer, transferee, or grantee of such property. Upon a subsequent sale, transfer, or conveyance of such property, the property shall thereafter become ineligible for any additional or further rebates, unless new qualifying improvements are made under a new application.
 - A bona fide developer is defined as an individual or entity actively engaged in the business of real estate development, with the intent to construct, improve, or rehabilitate residential, commercial, industrial, or mixed-use properties for sale or lease. The developer must demonstrate a track record of similar development projects or provide a business plan that shows the intent and ability to complete the proposed project. The purpose of this definition is to ensure that the developer is legitimately involved in substantial property development rather than merely holding or transferring property.
 - **Spousal Exception:**
 - If a property is jointly owned by spouses, and one spouse passes away resulting in the surviving spouse becoming the sole owner, the property shall remain eligible for participation in the Neighborhood Revitalization Program. The removal of the deceased spouse's name from the property deed shall not affect eligibility for any rebates under the program. The surviving spouse shall retain the same eligibility as if the property had remained jointly owned.
 - In the case of divorce, if ownership of the property is transferred to one of the spouses, the property shall remain eligible for participation in the Neighborhood Revitalization Program. The transfer of ownership as part of a divorce settlement shall not disqualify the property from receiving rebates under this program, and the spouse receiving the property shall retain the same eligibility as before the divorce.
8. **One Application per Project:** Properties eligible for tax incentives and any existing tax abatement program may submit only one application per project.
9. **Rebate Value:** The rebate will be based only upon the increased appraised value attributed to the eligible improvement. For purposes of calculating the increase in the appraised value, a base value shall first be established by calculating the average historical appraised value of the parcel for the three (3) tax years immediately preceding the application for rebate. The increase in the appraised value shall be the difference between the base value established and the appraised value after the eligible improvement is constructed.
- **Exception:** Unique situations will be reviewed by the County Appraiser in consultation with the City to establish base value.

City of Independence, Kansas

Property Eligible for Tax Rebate

1. Residential, Commercial, Industrial, Agricultural, Office and Professional Property:

- For new construction or rehabilitation, alterations, and additions to residential, commercial, industrial, agricultural, office and professional properties, including accessory structures, provided that such structures are permanent, the rebate shall be up to 100% on the increment of increased appraised value for years 1-5, and 50% on the increment of increased appraised value for years 6-10.
- Eligible improvements also include driveways and sidewalks that increase the appraised value.
- Eligible properties can be located anywhere in the NRA, subject to specific criteria.
- **"Structure" Definition:** For the purposes of this plan, "structure" means any building, wall, or other structure, including the building and improvements to existing structures and fixtures permanently assimilated to the real estate.
- **Exceptions:** The following items are not eligible for rebates under this plan:
 - Non-real estate items
 - Sprinkling systems
 - Fences
 - Landscaping
 - Garden-type structures
 - Hot tubs
 - Above-ground swimming pools
 - Irrigation wells and equipment (both agricultural and residential)
- Properties exempt from property taxes are not eligible.

2. Historical Property or Historical Districts:

- For rehabilitation of buildings on the Kansas Historical Register or contributing buildings within a district on the Kansas Historical Register, the rebate shall be up to 100% on the increment of increased appraised value for years 1-10.
- For new construction or rehabilitation of non-contributing buildings within a district on the Kansas Historical Register, the rebate shall be up to 100% on the increment of increased appraised value for years 1-5, and 75% on the increment of increased appraised value for years 6-10.
- A Certificate of Appropriateness issued by the Independence Historic Preservation & Resource Commission must be secured before construction begins. Applications without this certificate will not be considered.
- This category applies to the primary building only and does not include any accessory structures, driveways, or sidewalks.
- Properties exempt from property taxes are not eligible.

Rehabilitation of buildings on the Kansas Historical Register or contributing structures within a district on the Kansas Historical Register	12/31/2035	Up to 100%	Up to 100%	Listing on the Kansas Historical Register must have occurred before a certificate of occupancy is issued, including status as a contributor. Must receive a Certificate of Appropriateness from the Independence Historic Preservation & Resource Commission before construction starts. This category applies to the primary building only and does not include any accessory structures, driveways, or sidewalks.
New construction or rehabilitation of non-contributing buildings within a district listed on the Kansas Historical Register	12/31/2035	Up to 100%	Up to 75%	Must receive a Certificate of Appropriateness from the Independence Historic Preservation & Resource Commission before construction starts. This category applies to the primary building only and does not include any accessory structures, driveways, or sidewalks.
All other eligible residential, commercial, industrial, agricultural, office, and professional properties, including permanent accessory structures, driveways, and sidewalks	12/31/2035	Up to 100%	Up to 50%	The following items are not eligible for rebates under this plan: non-real estate items, sprinkling systems, fences, landscaping, garden-type structures, hot tubs, above-ground swimming pools, and irrigation wells and equipment (both agricultural and residential).

- **Additional Information:**

- All properties within the City limits are eligible except areas that lie within the 100-year floodplain. Parcels located partially within the 100-year floodplain may be eligible for participation, but only for improvements made on the portion of the property outside the floodplain. All such improvements must comply with applicable City ordinances and FEMA floodplain management regulations to ensure eligibility.
- A 5% fee will be retained by Montgomery County to cover administrative costs.

Neighborhood Revitalization Plan and Development Incentive (2025 – 2035)

City of Independence, Kansas

Application and Administrative Procedure

1. **Initial Application:** Complete the Neighborhood Revitalization Plan application and submit it to the City Clerk with a non-refundable \$100 fee made payable to the Montgomery County Appraiser. The Building Official will monitor the project to ensure that all applicable City codes are met.
2. **Certification of Construction Completion:** After completion, provide receipts and an itemized statement of costs for verification to the City Clerk who will forward them to the Montgomery County Appraiser along with a Certificate of Occupancy or Completion from the Building Inspector.
3. **Approval Process:** Upon successful verification, Montgomery County will process the rebate within 30 days following the property tax distribution. The tax rebate, less a 5% administrative fee based on the rebate amount, will be made to the property owner within a thirty (30) day period following the date of tax distribution by Montgomery County. The administrative fee will be retained by Montgomery County.

Administration and Participating Public Agencies

The plan is a cooperative undertaking among the City of Independence, Independence Community College, Unified School District No. 446, and Montgomery County. Montgomery County is responsible for administering the plan. The parties are not acquiring any property pursuant to this agreement.

Attachment A

Boundaries of Neighborhood Revitalization Area (NRA), including Zoning and Floodplain

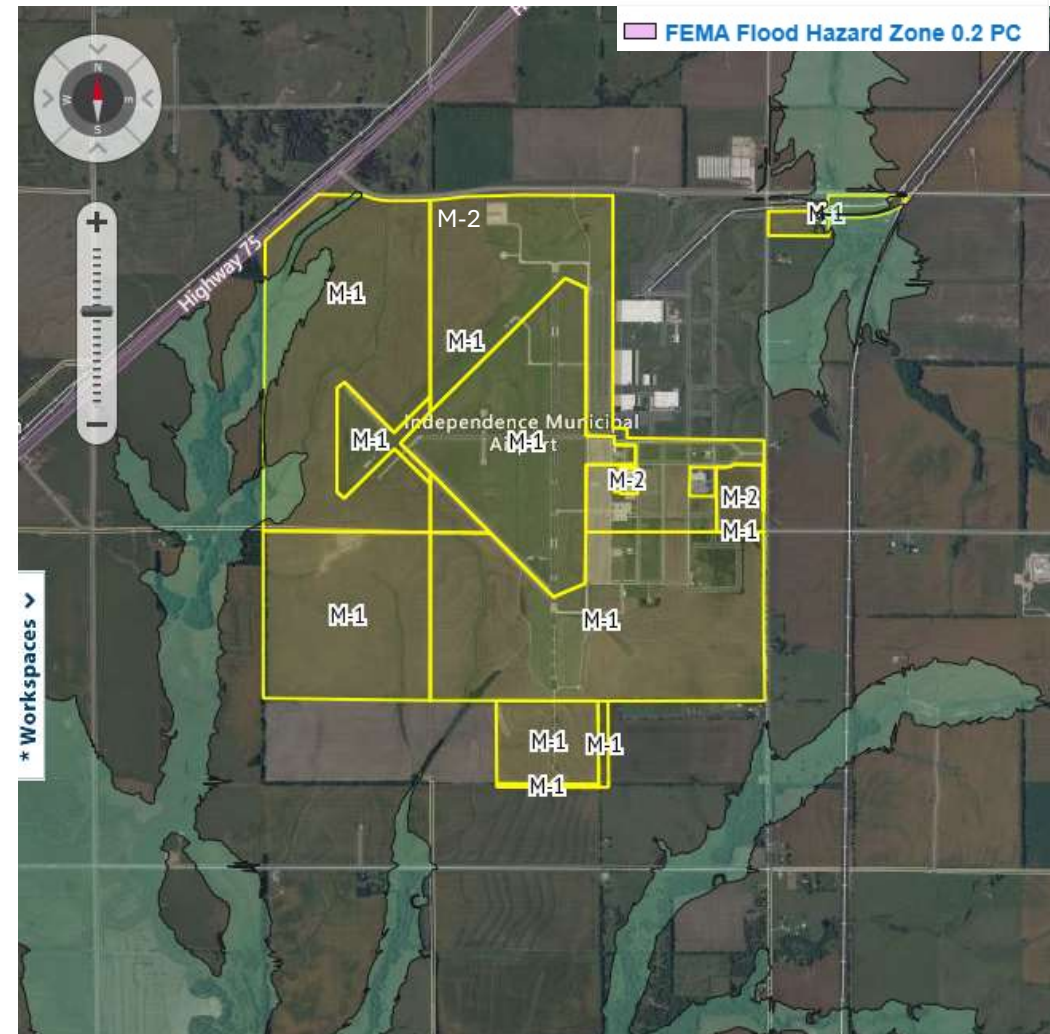

The Neighborhood Revitalization Area (NRA) includes all properties currently within the City limits and any additional properties that are annexed into the City during the duration of this plan, except for properties located within the 100-year floodplain.

The maps provided reflect the current City limits, 100-year floodplain, and zoning classifications; however, the boundaries of the City limits, the 100-year floodplain, and the zoning classifications may change during the duration of the plan.

The City limits and 100-year floodplain in effect at the time of the project application will determine eligibility. For parcels that are partially within the floodplain, only the portions outside the 100-year floodplain are eligible for participation, provided all improvements comply with City ordinances and FEMA requirements.

Any zoning classification changes will be reflected following updates to the City's zoning map and regulations. Properties will be subject to the zoning designations in effect at the time of the project application.

Re: Recommendation for Ellucian Project Management Consultant

Recommendation to retain **BHA Technologies – Washington, OK (a division of Strata Information Group, Inc. – San Diego, CA)** to provide report building/integration, project management and consulting services for the ERP migration from Microsoft Dynamics GP and Ellucian PowerCampus to Ellucian Colleague. The services will be provided on an hourly fee basis of **\$170 per hour, not to exceed 200 billable hours**, until the completion of the project, which is currently estimated to be October 2025. The vendor will liaison with ICC stakeholders and the Ellucian implementation team and provide a varied range of services in order to finalize the current software migration. The total cost for 200 hours is **\$34,000**, which would represent a savings of \$20,000 (200 billable hours), based on the current bill rate of \$270 per hour quoted by Ellucian. The primary scope of work includes *Transcript Migration/Updates, Data Conversion Technical Support, Financial Aid Setup and Report Design, “Recruit” Module Project Management, “Advise” Module Project Management.*
