Thank you for applying for financial assistance at Independence Community College (ICC). In order to qualify for financial aid, you must provide all requested documentation in a timely matter to the Office of Student Financial Aid (OSFA). All students receiving aid, including ICC scholarships, must complete--at a minimum--the FAFSA, online scholarship application, and the FSA Authorization Form. All students must also provide a final high school transcript (GED Scores, etc.) and final college transcripts for any college they have ever enrolled in and/or attended.

Student aid packages will be made available for students' viewing once the student's FAFSA is complete and verified (if selected for verification). These student aid packages are subject to change based on any verification or enrollment changes.

Your financial aid awards are credited to your account each semester and are automatically deducted from your institutional charges such as tuition, fees, room & board. If the amount of financial aid awards exceeds your semester bill, the Business Office will return the excess to you in the form of a refund.
