

Student Grant Awarding Policy (HEERF-II FUNDING)

Independence Community College and its students continue to face unprecedented and challenging obstacles during the Coronavirus (COVID-19) National Emergency. The funding issued to ICC under the Higher Education Emergency Relief Funding affords ICC the opportunity to financially alleviate some of the obstacles our students face.

Eligibility

The following students are eligible to receive a HEERF-II Student Grant:

- I. Students must be a U.S. Citizen;
- II. Students must be degree-seeking and at least half-time status; and
- III. To determine financial need, ICC utilizes the 2020-21 FAFSA. Eligible students are encouraged to complete the FAFSA to qualify for maximum grant aid. Students can complete the FAFSA online at www.studentaid.gov.

Awarding Procedure

Students meeting the above eligibility criteria are evaluated for an Emergency Grant in the following manner:

- I. No total emergency grant awarded to any student shall exceed the annual Pell Grant award of \$6,195.
- II. Grants are calculated utilizing the Pell Grant Chart for 2020-21. Full-time students' awards are calculated using the half-time chart and awarded at 80% of the scheduled amount. Less-than-Full-time students' awards are calculated using the less-than-half-time chart and awarded at 80% of the scheduled amount.
- III. Minimum award for eligible students is \$300.
